Intercultural Competences for Personal and Professional Life

The CULTOOL online training course

As a practical support network Leo-Net offers her members several services. One of the latest services is the CULTOOL online training course in the field of Intercultural competences. Following the Cultool training one will acquire the most valued knowledge and skills in intercultural competences which helps people throughout their personal and professional careers.

Training course structure

The Cultool online training course contains 6 modules:

Intercultural awareness | Intercultural communication
Intercultural negotiation | Intercultural conflict resolution
Intercultural teamwork | Organisational and members culture

All modules are set up in the same structure (introduction, training materials, activities, multiple choice questions, glossary). The average study load is 12,5 hrs p/module.

Throughout the training a qualified tutor monitors the process, provides assistance and assesses the performance. After completion of the training students will receive a Certificate. Upon request a EUROPASS is provided.
